IN THE FOOTSTEPS OF ASTOR PIAZZOLLA

The all-female ensemble, Quartetto Tomassini, redefines the boundaries of what a string quartet typically plays by performing the dynamic Tango. They lead their audiences through a rhythmic, sensual journey from the 1880's gentlemen's lounges in Buenos Aires to present day NYC. These four powerhouse musicians have shared stages with Marc Anthony, Gloria Estefan, Wynton Marsalis, Chucho Valdes, Thalia, Cachao, and Paquito D'Rivera.

Admission: \$25, \$20 Students/Seniors.
